NOBORIBETSU DATE JIDAIMURA

Guidance about COVID-19 infection prevention measures

In order to ensure the health and safety of our customers and facility staff, Noboribetu Date Jidaimura will implement the following COVID-19 infection prevention measures under the guidance of the government. We appreciate your understanding and cooperation.

● Partial change of business contents

- From July 1 (WED), for the time being, business hours will be reduced from 9:30 to 16:30 in principle.
- We will inform you on the official website each time about the excluded days of shortened business.
- Some stores such as souvenir shops and restaurants in the facility may be temporarily closed.

● Infectious disease prevention measures throughout the facility

- We enforce temperature measurement and health check of facility staff every morning before starting work.
- In order to prevent splash infection, we wear masks as necessary to provide service to customers.
- We will strive to maintain the distance between the facility staff and customers, or mutual customer, and thoroughly avoid the "Three Cs" .
- We regularly perform disinfection work in the facility to prevent contact infection.
- We have installed disinfection products in the following place for visitors.
Alcohol disinfectant·····Ticket office / Main gate / Each theater
Sanitizing hand soap·····Washbasin in each toilet

● Infection prevention measures in the theater

- We will enforce ventilation in the theater, alcohol disinfection, and ultraviolet sterilization between the performances.
- We will reduce the number of seats for the spectators and implement measures such as entry restrictions as necessary.
- At some shows, some changes will be made to the performance content to reduce infection risk.

● Request to customers

- Please disinfect your hands with the alcohol disinfection installed at the main gate when entering.
- Please wear a mask in the facility and thoroughly manage hygiene such as cough etiquette and frequent hand washing and disinfection.
- Please cooperate with register for [Hokkaido Corona Notification System](#).

If you have a fever, cough, or cold-like symptom, please refrain from visiting.
We pray for the quickest recovery.
